

News Release

22nd November 2011

CONFIRMATION OF LEVEL CROSSING INCIDENT

Brookfield Rail can confirm that a collision involving a freight train and a road vehicle has occurred just before 6pm today at a boom gate protected active level crossing on Toodyay Road in Midland.

Police and emergency services are in attendance.

The level crossing was functioning correctly at the time of the incident.

Brookfield Rail is onsite and will be conducting an investigation into the incident.
